GETTIN' JUST 18 WITH IT

Dear J18: It's been an awfully long time since I've been with a woman. I don't want to go into particulars, but let's just say that I can hardly remember what it's like to feel the kiss of a woman's lips on my mister. But then again, I don't have to put up with the arguments, nagging and other bullshit that all too often accompanies encounters with the fairer sex. What I'm getting at is this: I sure do like your magazine a while lot. I can imagine getting with a woman much younger than myself and not have to worry about being judged by society. I love looking at the photos of the young women being naked and naughty that are on the pages of your magazine. Without your magazine I'm not sure what I would be spending my time looking at. Consider this a sincere thank you.—Wally from RI

25670

IT'S FUN TO PULL

Dear Just 18 Magazine: I wish that more of the young ladies in your photographs had short hair. I find short hair to be extremely sexy, especially atop a fresh beaming face. Too many ladies try to hide behind long hair in my opinion. Short hair is fun to pull, too. Can you understand what I'm getting at here? When a girl has shorter hair it's easier to watch her suck cock because there isn't anything hanging in the way. Also it won't get all tangled up and knotted up in bed, and I don't have to worry that I'm accidentally leaning on her hair. So short hair isn't only sexy but also practical in the sack! It's a win win! You can't loose! Take my word for it!—Danny in WA

6 JUST EIGHTEEN

RAVEN-HAIRED BEAUTIES

Dear Just 18: There was a photo spread you featured a few issues back with three girls named Aylin, Lacey and Scarlett and they all had glossy black hair. Talk about my fantasy trio of babes! Each was more beautiful than the next. Thick, long dark hair with heavily made up eyes and bright red lips. Each one had full, bouncy breasts and I kept thinking to myself that if I had been in the room with them I'd have no idea which one I would want to have first. There's something about the one with the big tattoo across her chest that cries out come hither even more than the other two, but I don't know if that means I should take her first or save her for last. I have always has a thing for raven haired beauties and three of them in one place is beyond my wildest dreams.—Karl in MI

25966

STICKY STUCK

Dear *Just 18*: Pretty little yummy girls make my wiener hard. I love to pull my wiener and look at the spread open legs of your yummy little ladies. I tug and tug until my wiener skin feels sore. Then I squirt more lotion on and it feels so good. Sometimes the pages get sticky sticky when I look at the tasty girls.—Ronald in TN

THE SPLENDOR AND THE WONDER

Dear *Just 18*: I personally feel that an entire magazine dedicated to the splendor and wonder of fresh young eighteen-year-old girls is a brilliant concept. Where do you find them all? While I am sure there is an abundance of girls out there willing to strip naked and show themselves for the camera, the fact that you repeatedly find such high-quality ones is astounding. I applaud your ability to coax good-looking girls into doing what they do and furthering our masturbatory cause. Bravo!—Louis in MO

ENOUGH TO GO AROUND

Dear Little Angels Appearing In *Just 18 Magazine For Men*: To all of the perfect little naked angels who display themselves and their most private parts on the pages on *Just 18 Magazine for men*: I love you all very much! I love you all equally and would love to spend some special time with each and every one of you! I have enough love to go around so don't get jealous my little ones! I have capable of big love! I would like to have the opportunity to shower kisses upon the privates of every single naked angel who has appeared and will ever appear on the pages of *Just 18 Magazine for men*! I am a man who adores you all! I want to prove my love and devotion by loving each and every one of you in the very way you deserve! With all of my heart and soul and penis! My penis loves you all so very much!—Willie in NV

TINA

24938

When people first meet me they always think I'm shy, which cracks me up. Me, shy? No way! Far from it. I'm totally a wild child. I love being naked! My body is beautiful! It deserves to be seen! It kills me to keep clothes on all day long. School is the worst! The only break is P.E. when we have to change clothes. Then I tear bare-assed around the locker room while the other girls shriek. Prudes! I know they're all checking me out. Half the chicks in my class are secret lezzies, I can tell by the way they peek at my body between their fingers while they pretend to cover their eyes as I pose spreading my pussy on the locker room bench. "Just wait 'till you get to college next year," I think to myself. Then they'll all dyke out, just watch! 

Tina loves to strip and strut!

DEMI & DADA

26979

I'm not musically inclined, but my BFF Demi plays the piano super well. She offered to give me a lesson and I was like, "Sure, why not?" So she is leaning over me, trying to teach me how to play this weird tune called "Chopsticks" or something when she turns and kisses me right on the mouth! Just like that we are making out and her hands are all over me and we're licking each other's nipples and stuff. I've never given much thought to making it with a girl before, but when Demi pounces on me it feels so, well...right. Especially when she goes down on me. Dang, I cum like right away! Then I do it to her 'til she cums too. Next Demi brings out these cool looking dildo thingies and I stick one in her and she sticks one in me and we spend the rest of the day making each other cum over and over again. Piano or no piano, we make beautiful music together!

SAPPHIRE & TIM

26299

My sweetie Tim has the biggest bone! I'm telling you, it is huge. He tells me all the time that it is just average and that it's my slit that's small. Whatever! All I know is that he barely fits inside me! Tim came up with this crazy plan to "condition" my cookie so I can handle his ginormous wiener. He ordered an inflatable dildo from some smutty website and uses it on me whenever we fool around. It slides in small and then once it's snug inside he pumps it up with air. Soon it's blown up like a balloon in my box, pushing against my inner pussy walls and expanding my cock-taking capacity. Then he eases it out and slides himself in and WOAH! I can't believe I can take the whole thing! I cum buckets, wriggling like mad atop his super thick prick. Then he pulls out so I can gulp down his spunk as my gaper shrinks back down to its original size. It's a little weird, maybe, but it works! 

C'mon, you can take it!

MY OWN PRIVATE HOLLYWOOD

by Cora Turner

I didn't go to college after I graduated high school because I wanted a year off to figure things out. My parents gave me hell but I stuck to my decision! They didn't have anything to complain about because I got a job at Burger King for spending money. I was even willing to pay rent on my room! They didn't ask for it, though.

The burger gig was simple enough because I'd already worked fast food in high school. It left me time to think.

What did I want to do? Maybe act? I did high school plays. Maybe write? I always wrote poems. I just didn't want a boring regular job in my future.

I decided to work in movies if I could: act, write, direct, whatever. A friend of my grandpa's in his boyhood had been a movie actor in the 1960s, just small parts, but he was a cool guy. His name was Vinnie Barnes and died in 2002 when I was ten. I remembered seeing him at my grandpa's house when me and my parents showed up to visit. Gramps and Vinnie were always playing gin. Vinnie liked cigars, always had one stuck in his crooked smile.

One day I saw in the newspaper that a war movie Vinnie had made in the Sixties was going to play for one night only at a special screening downtown. I never saw the flick and I thought it would be cool to see him up on the big screen instead of video.

The screening was at a film society, not a regular theater. The guy who sat down next to me was a good-looking but intense dude who looked about 24.

"I've been waiting to see this movie for years!" he said. "I hear it's one of the best forgotten films of the Sixties! Scorsese says he loves it!"

"I knew one of the actors, Vinnie Barnes," I said. "He was a friend of the family. We called him Uncle Vinnie."

"You knew Vinnie Barnes? That's fantastic! Great tough guy. More successful on series tv than in features, though. I'm really into movies. Shopping around a script in Hollywood now, but not holding my breath. I make my own short films and put 'em on YouTube. Maybe you heard of me. My name's Ben Markham. What's yours? You an actress maybe? Don't see many teenagers at these kinda screenings."

"I'm Cora Turner. Yeah, I'm an actress, sure, now that you mention it! Maybe you got a part for me in your next film?"

The lights dimmed in the auditorium.

"Let's take a meeting after the movie!" Ben said, laughing. "That's just Hollywood bullshit for let's discuss it later."

No kidding.

The movie was good but grim. I only wished Uncle Vinnie's part had been bigger. Still it was great

to see him as a wisecracking soldier in World War II, a war he'd really fought in.

Ben and I left the auditorium together. "Wow, glad I finally caught up with that. I need a drink after all that combat stuff. You drink, Cora?"

Not legally in this state," I said. "But willingly in your apartment." And I winked at him.

He stood there with his mouth open, then laughed.

"I see star quality in that wink, Cora."

Then he turned to the street and called for a taxi. He told the driver to take us to the artsy section of town. When I was in high school our theater teacher brought us down to this neighborhood on field trips to see boring performance art.

Ben's place was tiny but neat. All his computer and camera stuff was off to one side. He got us two beers and then he sat me down at his Mac to watch a couple of his YouTube flicks. They actually were good. Caught the flavor of our city. Little stories about people meeting but missing their chance to really connect. These movies showed a sensitive side of Ben Markham, different from the cute but kinda buggy film geek he'd seemed to me so far.

"You got something, Ben. I'd like to act in your next one."

"You got the job. I cast you without a screentest. Instinct is important in directing. I'll write a script just for you."

I held up my beer and we toasted each other.

"To the movies, and to Uncle Vinnie! If he could only see me now."

"You're a cool chick. I don't see too many like you at those film screenings."

"You're probably too busy watching the movies," I said, leaning over. This was cool, this was romantic, and this was hot. Two young people with dreams, and horny in the bargain. It might even be an idea for Ben's next script.

It was good to kiss him. He tried to put his beer down and missed the

desk, and the can fell to the floor with a tinny clank while I moved into his lap and slipped my tongue in his mouth. He seemed a little shy, but that was okay. I liked it.

So many things went on in my mind at once. I was horny and I was thinking about my future. It all seemed blended together. Like out of a cartoon, we got rid of our clothes in a flash and soon I was sucking Ben. I always like to start with oral sex first. If I like the feeling of the guy's cock in my mouth, then I let him go further.

"You're suggesting a whole range of characters to me," Ben said while I kissed his balls and stroked his shaft. "And costumes too," he said, feeling my breasts. "Definitely something low-cut."

"Don't go over-budget in your thinking," I said, almost like I was going to be Ben's producing partner and not just one of his stars.

I put my tits in Ben's face. He sucked my nipples like he hadn't had any lately. "Yeah," he said, like he'd read my mind, "it's been a while. I've been neglecting myself for filmmaking. But even Scorsese takes time out to get action!"

"You're silly," I laughed, but the more he made me laugh, the more I wanted him. Finally I straddled his cock and slipped it inside.

We were a good fit.

"Movies are my life."

"All film and no screw makes Ben a dull boy. So shut up, film nerd, and pay attention!"

I rode on top of his cock while he stared at my face and played with my tits. He looked vulnerable. It was sweet and hot at the same time. I reached down and rubbed my clit as he began to blink and bite his lips and lose all control.

"I'm gonna—I'm gonna..."

"Yeah? Prove it, Ben. Prove it!"

And Ben Markham, soon to be my own personal Scorsese, shot his load. Of course, I pulled his cock out first so that his stuff would land on my stomach. No use mucking up my new career! And besides, cum always looks more cinematic on a tummy. I learned that from pornos!

Now
THAT'S
a workout.
Jizzercise!

Ugh, I used to friggin' HATE going to the gym! For the longest time my abs were sculpted by Captain Crunch. But then I met this personal trainer Luke and he changed my entire outlook on pumping iron. He really works with me one-on-one to show me the benefits of a hot, sweaty workout. To start things off, he demonstrates how to do open-mouthed dips by flicking his tongue across my clit. Then we switch positions and I try it, paying attention to my form as I kiss the tip of his tool. Next he makes me do a set of squats right over his lap. The lower I go the better it feels as his dumbbell drives deeper inside me. After that he gets behind me and grabs my glutes as he really drives his point home. Finally I am rewarded for all my hard work—a thick protein smoothie fresh from the source! **i8**

I'm a very sexual person. I'd much rather get off than do anything else, no joke. I need orgasms the way other people need the basic stuff, like water and food. As for me, I'd take a big, juicy O over a meal any day. This afternoon I wandered into the kitchen to make myself a snack and totally ended up rubbing one out right there on the counter! I don't know what to say, it just sort of...happened. There was something about the way the light was streaming in the window that made me want to get naked, and I always give in to my urges! Once all my clothes are off I get that familiar feeling between my legs, that funny sensation where my cunny gets all warm and twitchy and I know that I am gonna have to finger myself right then and there. So that's exactly what I do!

I'm a really chill girl. I love kicking back, hanging out and doing whatever. Oh yeah, by "whatever" what I mean is "myself." If I find I've got a few moments to kill I strip down, stretch out and flick my bean. Why? 'Cause it beats the heck out of being bored, bro! Besides, rubbing my nub makes my cooch go all warm and fuzzy. My lips are so soft down there and they're always exactly the right amount of sticky—not ucky-gucky but nice and moist. In other words, they feel really incredible. That's why I can't keep my fingers off 'em! Tickling my vertical smile puts a great big grin on my face. Guaranteed. It's so sweet to relax and just twiddle my twat. Don't I have other stuff I should be doing instead? Yeah, maybe. But right now I've got my hands full! **i8**

People tell me I've been blessed with a perfect body and I can't argue, it's true. I've got big natural tits that I love showing off because of the reactions I get from people...men can't get enough of them, of course, but women go nuts for them too. My ass is round and perky and flawless. An ex-boyfriend once told me that every time he saw it he felt compelled to get on his knees and say a prayer of thanks. I was always like, "If you're on your knees around me then you'd better have your face buried between my butt cheeks or your tongue on my clit. Pray on your own time." Whatever, we broke up for a reason. And then there's my ripe little peach of a pussy, smooth and plump on the outside and creamy and pink on the inside. Put it all together with my angel's face and the fact that I totally put out and, yeah, I guess "perfect" pretty much covers it. **i8**

TAPPING THE MAT

by
Felicia

I'm a freak about controlling stuff. Drives all my friends—and my boyfriend—crazy. It's just that I know exactly what I want and how I want it. So when I decided I'd finally give myself to my boyfriend Danny, I wanted it to be just right.

26120

I planned it all out. He's on the wrestling team at the university, my super fine valentine. After this weekend's match I would be waiting for him in his dorm room. It would so be the perfect time. 'Cause it's so incredibly hot to watch him wrestle. Sometimes, when I'm in the stands watching, I get so heated up I have to run off to the girls' bathroom and splash cold water on my face. Or sit on the toilet and diddle with my clit until I cum. I get this image of the two guys naked (without even their stretchy singlet things on), their dongs hanging down, whacking each other as they scramble around on the mat in a sweaty heap—it makes my pussy soooooo crazy wet!

Of course I didn't tell Danny what I was planning. I just told him I'd meet him later that night, after the match.

Sneaking into his dorm room was easy. Then I stripped down to absolutely nothing, carefully folded my clothes, and set up the bed.

I put a pillow at the edge of the mattress. It was how they showed it in the sex magazine I'd referenced for just this occasion. I like to be well-informed. Danny likes my derriere, so I'd decided on this being the first view he'd see when he came into the room. I fluffed up the pillow real big, placed it at the foot of the bed just so, and bent over it.

My ass is truly a good one—wide enough that you know I'm definitely female, but firm and

high with baby-soft skin. When I heard him in the hall outside, I took a deep breath and made sure I was draped just right.

"Oh-ho! What have we here?"

That wasn't Danny! I twisted to see and grabbed up the pillows to hide myself as I heard the unfamiliar voice. The door closed and a hand quickly spread over my spine, pinning me back in place.

"Luscious ..." Danny's voice was close to my ear.

But there was another guy with him. I turned my head further and saw Luke, Danny's team captain, grinning down at me while Danny murmured in my ear.

"Is this mine?" He ran a hand over my ass, kneading each cheek gently. It tingled wherever he touched. I was so ready for him. But ... I nodded just barely. While Danny was busy jerking his t-shirt over his head I turned over and scrambled my birthday-suited self across the bedspread as far as the headboard, a single pillow now my only cover.

"I—I thought you'd be alone," I said.

parted lips, I felt a jolt of extra excitement.

"Go on. Let me watch you suck him." I felt more of Danny's cock then too—hard, insistent, the hot tip sliding up and down between the lips of my pussy. I was so slicked up by now it was a wild feeling. My insides did a kind of contraction, as if they just wanted him to get in there as soon as possible.

I took a little bit more of Luke into my mouth and twirled my tongue around a little. I heard Luke groan. Danny was practically encompassing me then. He had his hands all over, my shoulder locked down against the mattress, my legs trapped. I could barely move. But I sure felt it when his cock jabbed at my door.

It felt really big, the way it stretched me and kept stretching me. I gasped around Luke's cock and inhaled deeply as Danny shoved past my clenched entrance. A second later, in a slow but determined slide, Lucas pushed

Danny had already unzipped his jeans but I could see Luke had a substantial hard-on under his zipper too.

"It's just Luke," Danny said as he captured one of my ankles. "You know him."

"Yeah...but..."

I sure hadn't planned on having an audience. Danny began to drag me by that ankle back down to the end of the bed, my bare ass sliding across the bedspread, my hands frantically trying to keep my private places hidden by the pillow.

"We can send him on his way, if you prefer, but maybe it'd be fun to give him a taste too." Danny slid a hand up my thigh and found all my gooey wetness under that measly pillow. "What do you think?"

To tell you the truth, it was kinda like my perfect fantasy, considering how I'd always loved to watch two guys wrestle and sweat and pin each other to a mat. I gave Danny a wobbly smile as my fantasies began to blossom in my head.

"But you be the first, k?" I definitely wanted Danny to be the one to "do the deed".

Danny smiled. "Promise."

Luke unzipped now too and I found two super hot, well-muscled hunks before my eyes with two stellar erections springing from their boxers, almost at the same time. I tried to swallow down that familiar hot-flash feeling I got when watching these guys take down another team.

They were now both as bare-assed as I was and coming closer. I slowly let the pillow fall away as those two cocks approached, rarin' to go. Danny knelt on the bed and pinned one of my legs down between both of his. The other leg he hooked up over his arm. I was immediately scissored wide open beneath him while his cock dangled just above my opening. When I looked to Luke, I found him on his knees on the bed too but his cock was just inches from my eyes. Aiming for my mouth.

"Suck him, Felicia." Danny was trailing a large hand all over me. His hard-on kept bumping into the creamy opening of my muff. I'd never put any guy's cock in my mouth before. I wondered how far I could take it.

I began with a little kiss to its tip, where it was all swollen and red and ready. The skin was amazingly soft but underneath was like steel. When Luke pushed a little bit past my

almost all the way into my mouth.

"Yes..." I heard Danny say as I locked my lips around the heated breadth of Lucas...just as Danny put a hand to the back of my head to hold me against Lucas' invasion while also nudging himself deeper into my pussy. The initial sting of popping my cherry went away in an instant. Then he was nudging further and further, deeper and deeper.

"I love watching Luke fuck your mouth while I fuck you." Danny's voice was all gravelly low and close in my ear. He was so obviously just as worked up as I was but hearing him say it like that made me all the more crazy inside.

I squirmed at all the sensations. My pussy was clamping down around Danny and positively singing inside. And he wasn't even all the way in yet. My mouth and tongue eagerly sucked Luke and my ears rejoiced at how Luke was losing it. Lucas, I could tell, was trying to go slow but he was pumping in and out of my mouth as deep as I could handle him.

Danny kept me held in an impossible position I couldn't leverage out of, even if I wanted to, but I sure didn't want to! I don't know how I got a freed-up hand but I did and inched it down between my legs to touch my clit too. Right where Danny was penetrating me. I just couldn't pass up the chance to feel that wonderful sensation on top of everything else. I was a quivering puddle of cumming goodness in no time. Truly, it had taken only a few twitches of my finger over my clit before I lost it. I pulsed all around Danny's invasion as he sped up and launched himself deeper. All the way, finally. Which only made my insides throb more.

Luke was next. He jerked into me right when I was throbbing out the final rhythms of my orgasm. He held my head as he kept his cock deep in my mouth. His jizz was hot and salty-sweet. I sucked it all down and milked him to the last drop just as Danny pumped in and out of me fast and furious. It took over my whole body. I bounced on the mattress under him as he held me tight.

When he shoved that final time, my gushing pussy clamping down around every last beat of his cock, I thought how nice it was to have abandoned my original plan. I mean, sometimes the very best stuff happens when you let yourself lose control. Doncha think? Mmm...mmmm. **18**

Scarlett & Bobby

I dig doing it. It's rad! When a guy sticks his thing inside me it feels so good that sometimes I think I might go crazy. When I cum it's like something inside my pussy explodes and shoots tiny sparks of awesomeness to every single last inch of my body and then everything just sparkles and tingles! It makes me laugh out loud and then I'm like, "Do it to me again!" Lately I've discovered that I like taking it up the butt as well. It starts with a finger in my starfish to stretch it open a bit first, then soon afterwards he can slip his whole ramrod right in! Having my can opened like that makes me cream as well, and my eyes roll back and my toes curl tight and I scream out, "Oh! Oh! Oh!" Then it's his turn to blow so I open my mouth wide for it to be filled with guy goo. Good golly!

Hmmm, what trouble can I get into today??? I'm feeling mighty frisky...who's ready? When I'm looking to have fun, nothing in the world can stop me. Especially when it's THAT kind of fun. You know, the grown-up kind. Sex is what I'm talking about. S.E.X. Yeah! When I want it I get it, come hell or high water. And I want it sort of a lot...all the time, really. I'm young and I'm hot so I figure that I deserve to get fucked whenever I feel like it. Don't make me beg! Or are you into that sort of thing? All right, I like to play games too. Please won't you fuck me? Pretty please? I'll show you right where I want it...right...there. Just stick it in. I want it so bad! I need it. Give it to me. I promise that it'll feel really, really good. Just trust me and fuck me. You'll see.

ELLE & AMBER

So this hot girl moved in next door. I watched her sunbathe in the backyard from my bedroom window. It didn't take long for me to realize she's a total freak—mostly because there she was on her blanket diddling herself in broad daylight! At first I was shocked but then I started touching myself while I watched her. One day I decided to go over and introduce myself. I discovered her name is Amber and she is really super nice. Well, one thing leads to another and soon we're sexing each other up in the sunshine. She happens to have a long double-sided dildo (in my fave color, purple) so we each hop on and hump. It's like "Lady and The Tramp" with no meat in the middle, and no ladies either—just us tramps! Ha ha! Now I'm BFFs with the whore next door!
